Ludwig-Maximilians-Universität (LMU) in Munich is one of Europe’s leading research universities with over 500 years of tradition and a wide and well-differentiated range of subjects that covers all areas of knowledge, from the humanities and cultural sciences, law, economics and sociology to medicine and the sciences. With more than 44,000 students LMU Munich is also one of the largest universities in Germany.

The Munich International Summer University, or MISU\textsuperscript{LMU}, gives students from all over the world the opportunity to expand their academic horizon and participate in an attractive cultural program while living in one of the world’s most friendly and vibrant cities with a rich history.
**European Studies (Munich- Brussels- Vienna)**

The European Union offers a most prominent example on how regional integration works. Through this MISU Academy participants will be provided with a broad understanding on the historical development, the economical, societal, political and philosophical dimensions of the European integration process. Furthermore, the course analyses Europe’s role as an international political and economical factor and its relations with different countries and regions of the world.
