"Some of the best memories I have are of mundane things like spending an afternoon chatting with friends, or even with my professors. I will always have fond memories of my time in Riverside, and of my time spent travelling around various parts of the US."

*(UCR Reciprocity student from the University of New South Wales)*

"I really wish I could stay!"

*(UCR Reciprocity student from the University of Lyon)*
If you are looking for a major research university with a friendly campus environment and close faculty-student interaction, UC Riverside is the campus for you. Seize this opportunity for discovery. You can learn from and work with innovative professors who have earned national and international recognition for their teaching and research.
