Dear UCEAP Student,

Could you imagine a campus more distinguished and stimulating than UC Berkeley?

Known as "Cal", the campus is home to top scholars in every discipline, accomplished writers and musicians, star athletes, and groundbreaking scientists - all drawn to this campus because of the wealth of opportunities for creativity, innovative thinking and progress.

**Berkeley's professors educate, challenge, mentor and inspire students in:**
Asian studies, art, architecture, biology, business administration, dance, economics, engineering, ethnic studies, legal studies, linguistics, music, natural resources, peace and conflict studies, philosophy, urban studies and more.

**Study subjects you can't find at home:**
American studies, ethnic studies, gender and women's studies, Native American studies, religious studies, and more.

**Find your field of study at:**

"Thank you for providing me with with the most important academic and cultural experience I've had in my life. California lived up to the mythos of the western Promised Land. I sorely miss my friends from Berkeley and the wonderful things I've seen and done."

*(UCB Reciprocity student from the University of Sydney)*

"I love Cal and everything in Berkeley. Coming back would be my dream.*

*(UCB Reciprocity student from the Chinese University of Hong Kong)*

at the heart of the UC Berkeley campus

UC Berkeley is a lush 1,232 acre campus. It is bordered by wooded, rolling hills and the City of Berkeley, one of America's most lively, culturally diverse, and politically-active centers. Cal students are also just minutes away from the many business, cultural and recreational resources of Oakland, San Francisco, and Bay Area communities.
